## MEMORANDUM

To: Mayor and City Council

From: Dr. Danny O. Crew  
City Manager

Date: December 13, 2006

Re: Proposed Resolution authorizing the purchase of one (1) 2007 Sterling tandem dump truck with a 16 cubic yard dump body

---

The Public Works department maintains and is responsible for minor repairs to City streets, sidewalks, etc. This truck will allow personnel to transport and haul asphalt, concrete and other materials to and from job sites throughout the City. This truck's size allows hauling of a greater volume of materials. Funding for this expenditure will be reimbursed through a line of credit which was previously approved by Council.

The Florida Sheriffs Association competitively bid for various vehicles and award to the lowest, responsive responsible vendors in each region of the State. Heintzlemans Truck Center, located in Orlando, Florida, was awarded the bid for the Sterling LT9500 Tandem Dump Truck in the southern region.

**Recommendation:** That the City Council approve the attached resolution awarding a purchase order in accordance with Florida Sheriffs Association bid #05-13-0822 to Heintzlemans Truck Center for the purchase of one (1) Sterling tandem dump truck with 16 cubic yard dump body, in the total amount of \$109,536.00.
